

## TECHNICAL DATA SHEET

### Product Code:

958760

### Description:

Meridian-N Floor-standing Back-to-Wall WC (with Dual Outlet)

### Specification:

Size: L 360mm, W 520mm, H 400mm

Material: Vitreous China

Finish: White

Installation Type: Floor-standing / Back-to-wall

Clean regularly with warm soapy water (to stop the build-up of dirt and limescale), rinse with cold water, dry and polish with a soft dry cloth. A cream or liquid cleaner can be used.

Occasional use of mild bathroom limescale removers is acceptable if used in accordance with the manufacturer's instructions rinsing off immediately with plenty of cold water.

Use of bleach in the toilet bowl is acceptable.

A ceramic rubber can be used to remove any metal marks and minor blemishes.

In hard water areas we strongly recommend that inhibitors or water softeners are fitted to the system during installation to help prevent limescale attack. Do ensure that in hard water areas periodic checks are made to the diaphragm washer, located on the bottom of the flush valve.

Do not put bleach products (e.g. bleach blocks or tablets) in the actual cistern as this can damage the internal fittings and will invalidate the warranty on the internal parts.

Do not put strong cleaners or bleach in the products to stand overnight. Do not mix different cleaners in the WC as they can cause a chemical reaction and give off poisonous gas.
