

Single Sided Jointing Tape

Page 1

nbsPlus

- Twice the adhesive strength of rival tapes - see datasheet for test results
- Independently tested for peel and adhesion
- Crossweave film for excellent anti-tear properties
- Part of the BBA approved DPM Jointing system

Description

A cross weave glass fibre reinforced tape coated with a high tack aggressive adhesive system for sealing laps in damp proof membranes. When used in conjunction with Visqueen Double Sided Jointing tape, the system performs a BBA (Cert 94/3009) approved watertight seal.

Application

VisqueenPro Single Sided Jointing tape is for sealing Visqueen Damp Proof Membranes at overlaps and for sealing membranes to Visqueen Damp Proof Courses at junctions with internal and external walls.

Peel Adhesion

VisqueenPro Single Sided Jointing Tape peel adhesion testing was conducted to BS EN 60454-2 2007 at an independent UKAS accredited test house at two temperatures - 23oC and 5oC. Five alternative tapes including a PP and cloth were also tested.

The results are shown on the table below. The test results indicated that VisqueenPro Single Sided Tape had twice the adhesive strength of the nearest alternative.

Installation

Ensure surfaces are clean and dry. Apply tape equidistant over the bonded membrane lap. Apply pressure to the tape to ensure adhesion. When the weather is cold, store tape in a warm, dry place until required. Installation is not recommended below 5oC.

VISQUEEN
 BUILDING PRODUCTS

Single Sided Jointing Tape

Appendix A

Visqueen Building Products

Visqueen is the market leader in the manufacture and supply of structural waterproofing and gas protection systems. Visqueen offers the complete package - a proven, reliable range backed by a technical support service that goes unmatched in the market - everything you would expect from a reputable and ethical company.

System Accessories

To ensure full waterproofing protection please use the following certified system components:

- Visqueen High Performance (HP) Tanking Primer
- Visqueen TreadGUARD1500
- Visqueen Protect&Drain
- Visqueen Top Hat Unit
