

The concept of safety is fundamental to the philosophy of the Spectrum range. It is interwoven into the very fibre of innovation, design and production from concept to after sales service.

ISO 9001:2000

OX Group UK systems have been fully certified to BS EN ISO 9001:2000 Since 1996.

EN13236

Blades conform with European and UK standards.

Full 'No Quibble' Guarantee

All Spectrum products are backed by our full 'No quibble' guarantee – Ensuring confidence of distributors and their customers.

Diamond Innovation

Ongoing development provides increased performance on existing products, and innovative new diamond solutions.

Safety Instructions

Products undergo rigorous safety and vibration testing at our research & development facility, and in the field.

Professional Builders Award

Professional builders coveted 'Top Product' Award was won by the Spectrum TX10R superiordiamond blade in 2006.

Ultimate Guarantee

Ultimate products undergo extreme testing & dash; the ZX15 Zenith undergoes factory testing +80% more demanding than the requirements of EN13236.

Hand/Arm Vibration

Spectrum products were amongst the first to be tested and certified safe for hand/arm vibration.

OSA

Certified safe by OSA: the Organisation for the Safety of Abrasives.

Extra Safe

Our safety policy is an integral part of our company ethos with policies incorporating ISO18001.

Environmental

Showing that we care: Manufacturing operations accredited to ISO 14001 environmental systems.

Staff

Staff safety and care is no afterthought. Our personal and individual approach is reflected in our attitude to customers and staff alike.

We have a responsibility. Quality control systems and environmental and safety management ensure that our care covers not only our products and our customers – but that our ethical guidelines address issues such as staff safety and care for the environment.
