

Panasonic (PAN79A2LJ2G3)

EY79A2LJ2G Brushless Combi Drill 18V 2 x 5.0Ah Li-ion

The Panasonic EY79A2 Brushless Combi Drill has a durable, compact body design that is only 188mm in length, this model features the brushless motor which increases its efficiency as well as the life of the machine by reducing the amount of friction. Fitted with an electronic speed control function for greater control, even in tough applications. The electric brake provides increased user safety and the LED joblight illuminates dark work areas. Jobsites make tough demands on Power Tools. Unexpected water contact or exposure to dust can cause a malfunction of the tool, leading to trouble and delays. Panasonic have developed the Tough Tool IP range for exceptional resistance to water and dust. Tough Tool IP is a reassuring presence in the most difficult conditions. Compatible with both 14.4V and 18V Panasonic batteries. Supplied with: 2 x 18V 5.0Ah Li-Ion Batteries, 1 x Charger and 1 x Plastic Case Specification: No Load Speed: 30-470/70-1,580/min. Impact Rate: 540-8,500/1,260-28,400/bpm Max. Torque: 32/50Nm Capacity: Wood 38mm, Steel 13mm, Concrete 33mm
